

Welcome!

To
Skellefteå AIK Athletics

- friidrott

**We at Skellefteå AIK Friidrott want to
welcome you to Skellefteå and tell you about
the events and training groups we have to
offer you.**

We offer training groups from 6 years and up.

In 1965, Skellefteå AIK Friidrott started Broarna Runt, which has become a running classic in Skellefteå. The race is organized every Tuesday for 7 weeks during the spring. The start and finish are at Nordanå and no pre-registration is needed. We have a total of four starts every Tuesday and drop in for those who want to walk. Each week, prizes are also drawn for the participants.

Training member - With us, you can become a training member and can then use the athletics hall and our gym at selected times.

Runners joy - This group is for those who want to run together with others. The group is aimed at everyone regardless of age or previous experience, but mainly for beginners.

Do you know a child who wants to start athletics?

The athletics school is open to children from the age of 6. The autumn groups start in September and continue if you wish after the Christmas holidays in January.

Registration is available at Skellefteaakfriidrott.se under the “friidrottsgrupper” tab.

In the athletics school, the children can try out all types of athletics.

Summer athletics camp

In the summer, we arrange summer athletics camp for children between 6 and 11 years old. We will then be held at Norrvalla IP between 10-14. The children get very fun days with athletics and play together with our youth leaders.

Our history

The club started in 1921 as a section in Skellefteå AIK. Since 1987, Skellefteå AIK Athletics has been an independent association.

Our overall vision is that athletics should give everyone the opportunity for safe and positive leisure time, community, challenges and that training and competition should be carried out with enthusiasm and joy.

Our sporting vision is to belong to the 20 most successful athletics clubs in Sweden.
