

Hello to all football parents & members of Ronneby football club!

One of our major goals in our association is working to ensure that all children can participate and feel that they can do so on equal terms. Families should be able to feel that their children can play and participate regardless of their financial circumstances.

To be able to train and play, your children require football boots and trainers, shin guards, socks and clothes.

A new project in the Youth Section has begun and we call it RBK Sports Pool which is basically a private donation centre where people can donate outgrown clothes and equipment so other children can use them

The list of required items is below:

Football Boots

Trainers

Shin guard

Clothes

We are planning to have a week this spring and one in the fall where you can drop off clothes/shoes etc to the club which we then sort and put in storage.

Then, as a parent or child, through their coach or by contacting the youth section, you can borrow whatever you might need for free to play football in our club.

And if the garment/shoes are still in good condition, return them when you have outgrown them or no longer need them & exchange for another size when needed.

We believe that as many people as possible have the opportunity to have a donate and be able to belong to a club and feel that you have the opportunity to do so on equal terms.

We hope this would be a great benefit for all children and families.

First submission week is week 21

Monday 19/5 - Friday 23/5

Between 3:00 PM - 5:00 PM

RBK Clubhouse

If you need to borrow clothes/shoes etc., you can contact your leader or the youth section.
