STOCKHOLM CRICKET CLUB

Chairman's Notes

It has been an honor to serve as Chairman of Stockholm Cricket Club during 2025 — a year in which we grew stronger, took bold steps forward, and deepened our identity as a **club for all cricketers**, whether recreational or competitive.

We have continued to pursue excellence across all levels — from our **senior teams pushing the boundaries of elite cricket**, to **women and juniors making historic progress** on and off the field. Our teams not only competed but set new standards, achieving milestones that speak to the strength of our vision and community.

2025 was also a year where we **stood firm in our values**, even when challenged, and made meaningful contributions beyond the scoreboard — through youth development, partnerships, international exposure, and inclusive club culture.

This report reflects the collective energy, resilience, and passion that define our club. I am proud of what we've accomplished together and excited for what lies ahead.

Let's continue building — **bolder, braver, and stronger — in 2026.**

Nagendra Siddoutam

Men's Cricket

(a) Superettan

Format		W%
T20:		
Gladiators	P12-W10-D0-L2	83%
Guld	P12-W4-D0-L8	33%
T40	P5-W3-D0-L2	60%
T10	P4-W0-D1-L3	0%

During 2025 we had 2 teams in Superettan. Gladiators challenged the top teams and missed the Allsvenskan place by a narrow NRR margin. Key and crucial losses against Varmdö and Indiska CC meant being dependent on NRR, something the team will evaluate and try to change in 2026.

Guld Team had some setbacks and availability challenges which led to a tough season. They will evaluate and hopefully bounce back in 2026.

In T40, the team performed well and again challenged the top spots with finally achieving a 60%-win rate. Again, some lessons to be learnt here to come back stronger in 2026.

In T10, the team had very little to cheer about as they were unable to register a win against their name. Challenges with availability on weekdays continued

U11

It's been a year of growth and shaping up for our Under 11s! We successfully introduced hard-ball training in the nets, giving the team a true taste of the senior game.

Beyond training, the kids put their skills to the test in competitive matches against local clubs, showing incredible talent and teamwork. We were also thrilled to see several of our U11s

rise to the challenge of U15 cricket, proving that they have the talent and maturity to compete with the big kids!

Club has partnered with Anchor Sports and participated in youth camps with Gary Kirsten and Kiran More. We were also able to pass on 10% discount on camps to our club members as part of our relationship.

We have made a U15 tour to Finland to play against Finland and Estonia national U15 teams. This trip gave the boys high pressure match situations and bonding experiences that will be invaluable for them in their cricketing futures. We will continue to support such initiatives in the future.

We have also played a test match for the first time during summer and organized couple of 50 over one day matches with Alby team for our U19 boys, in addition to their regular league matches

Coaches Education

Having well educated coaches is a key component in being able to help the children in our Club be the best they can be. We had participation from Pankaj Kaul in ICC Level 1 Coaching Camp to bolster our in-house coaching talent.

Old Boys Cricket

Throughout the season the Old Boys team played and enjoyed various red ball matches. Highlights were the matches in Kolsva and of course the annual National over 47 tournament which this year was held in Stockholm.

Old boys played 2 matches and won both the matches with GWCC team

Walking cricket was put on hold in 2025. this year we need to find volunteers to organize walking cricket and encourage veterans to participate.

ParaCricket

We did not organize para cricket in 2025. We need to get volunteers who can drive this initiative this year.
